### Educational Visit to National Space Centre (Leicester)

The Year 5 Team have organised a trip to the National Space Centre in Leicester on Tuesday 11<sup>th</sup> February 2020 for both classes.

This trip will not only be a fantastic experience but will also complement and support this term's curriculum content, as Year 5 will be studying Earth and Space as part of our Science topic.

During this visit, children will explore the space centre and enjoy a workshop about the Earth, Sun and Moon. The National Space Centre also has a wide variety of interactive hands-on galleries for children to explore during the visit which will provide children with a further wealth of amazing facts about the cosmos and beyond!

Each child will need sensible footwear, school uniform and a light coat (preferably waterproof). We will be leaving promptly at 8:30am so we will be letting the children in at 8:15am to register them. We will be arriving back at school for 3:45pm (traffic permitting). All children will need to bring a suitable packed lunch and appropriate 'extra' snacks for the longer-than-usual day.

To help cover the cost of this trip, we are asking for a contribution of £20.00, which will cover the cost of the entrance fee, workshop and coach. Whilst the payment is voluntary, I am sure that you can appreciate that the trip **cannot take place unless the cost is completely covered.**

Please complete and return the consent form, along with £20.00, by Monday 3<sup>rd</sup> February 2020.

Regards,

The Year 5 Team
